

Third ASTERICS-OBELICS Workshop

Contribution ID: 56

Type: **not specified**

A summary of the workshop ”AI at CERN and SKA”

Wednesday, 24 October 2018 15:00 (30 minutes)

The two-day workshop was held in the Alan Turing Institute in London (17-18.09.2018) where ATI staff members, AI researches from industry as well as CERN and SKA scientists discussed the application of Artificial Intelligence (AI) and Machine Learning (ML) for scientific discovery in High Energy Physics, astrophysics, cosmology and radio astronomy. An overview of the presentations will be given in this summary talk.

Presenter: Dr STOLYAROV, Vlad
