

Next Generation Space VLBI workshop

Wednesday, 19 October 2022

Methods and technologies for prospective ng SVLBI (09:00 - 10:50)

-Conveners: Krisztina Gabányi

time	[id] title	presenter
09:00	[35] SALTUS project study	MARRONE, Dan
09:30	[36] Precision Timing for mm/sub-mm Space-VLBI	TIRUPATI KUMARA, Sridharan
09:50	[37] Heterodyning and synchronisation for mm/sub-mm SVLBI	BOVEN, Paul
10:10	[38] Optical communications for the Event Horizon Explorer mission concept	WANG, Jade
10:30	[57] AERO-VISTA: a pathfinder towards low-frequency space-based interferometry	KNAPP, Mary
