### **Tutorial: A&A in CTA: from User Requirements towards a Research Infrastructure**

*Monday, 12 December 2016 14:25 (30 minutes)*

The CTA Authentication and Authorization Infrastructure (AAI) aims at providing access to the CTA scientific gateway, applications, services and resources based on each user's profile and category according to roles and/or access rights. In this talk, we will present the AAI user requirements and the INAF AAI infrastructure. Finally, the INAF AAI will be demonstrated showing the A&A main features and the connection with the INAF Scientific Gateway.

**Presenters:** Dr COSTA, Alessandro (Senior Technologist and Computer Scientist at INAF); Dr SCIACCA, Eva (Researcher, INAF)
